

The White Stuff

On Saturday morning staff received an email from the headteacher: "I'm raising money for Trinity Hospice by running the Brighton marathon - please support me".

Although Mr White had consulted a couple of members of staff keen on marathons for tips and dietary advice in advance, he had kept his plans to run the Brighton Marathon – 26 miles and 385 yards - rather quiet!

As you can see, he successfully completed the run - in very good time - and raised lots of money for Trinity Hospice (who provide expert end of life care to individuals and their families wherever it is needed, in their own home or in the hospice)

Well done Mr White!

CITY YEAR PERFORMANCES

At International Evening on Wednesday 27th April, WESPA will be organising a collection of international currency as a fundraiser for the school. If you dig around at home, maybe you can find a few old coins or notes left from a holiday or business trip abroad. Bring it all with you for our collection. Every little bit will help.

All families welcome!

INSET Day and School Development Planning for 2016-17

Whilst most students were enjoying a day out of school this week, all staff came together for part of the day to work on the School Development Plan for 2016/17. Every member of staff is in a "House" and each "House" came together with a member of the senior leadership team to brainstorm and make suggestions for inclusion in the plan. Once there has been further consultation it will be published on the school website.

Football Successes

Year 7 footballers got through to the final this week, winning against Highbury Grove School 1:0.

The final will be played against Saint Aloysius College boys **on Tuesday 26th April around 16:30pm at Hurst Ave, London N6 5TX.**

Jonathan in Year 10 was in the team that won 3:1 in the London FA Cup Under 15s last month. Since then they have won the league and the EJA (Eastern Junior Alliance) Cup Final. In fact they got all the awards possible for their age. It is great to see a WES boy enjoying his sport outside of school and we send our congratulations to him on his team's success.
