

SCHOOL UNIFORM

We want boys to come to school looking clean and presentable, equipped and ready to learn. We ask parents to support the School in seeing that dress requirements are met and that extremes of fashion are avoided. Jewellery, rings and earrings are not allowed.

Please put your son's name in each item of clothing it can be returned when mislaid. Printed name labels are available from the uniform supplier.

The school has nominated Sportswear International Ltd. as a direct supplier, details on how to order can be found on the school website or from the school office.
