Dear Parents/Carers,

### Registering for Free School Meals

I am writing to remind you that students from families with lower incomes can be eligible for free school meals.

***Please register today to make sure your son doesn't miss out.***

Boys in receipt of free school meals can select, for example, a main hot meal and pudding to the value of the £2.50 daily. With our cashless catering system others cannot see if your son is in receipt of free school meals as their on-line account is automatically topped up daily with this amount. You can also add money to his account for a snack at break.

Typical additional benefits for students who claim Free School Meals at William Ellis include:

- At least 50% off residential trips
- 100% of the cost of day trips

William Ellis students registered for free school meals means additional funding from the government for the school too. For example, we can fund:

- A Community hub worker
- City Year volunteers
- Saturday School classes in Year 11
