Well done on completing all of your KS4 exams and on taking this chance to consider the next steps in your education. This is the perfect time to think further about what you want to study post – 16 and at the La SWAP taster you will have opportunity to:

- **Try out 5 taster lessons of 30 minutes from the LaSWAP subject specialists.**
- **Speak to teachers of all subjects in the ‘subject drop in’ session.**
- **Meet the new students who will be part of LaSWAP.**
- **Meet everyone over a drink and snack at break time.**
- **Find out about your LaSWAP induction programme that will run in September.**
- **Find out about prep for your first lessons at LaSWAP and the summer assignments.**

By the end of the day you will know what you can expect from LaSWAP and what will be expected of you to be a successful post-16 student.

We ask that you meet at 9.00am in the Learning Resource Centre at William Ellis School to be registered and for a short introductory talk about LaSWAP and the day ahead. After the walk to LSU and some taster sessions there will be a short break around 11.05, to which you are advised to bring a snack or some money to buy something.
