Friday, 13 September 2019

Dear Parents/Carers,

Your son has expressed an interest in completing the Duke of Edinburgh bronze award. The Duke of Edinburgh award gives young people the chance to do something completely new and also to improve on the things that they are already doing. It will take them out of their comfort zones where they will have to push themselves and have amazing new experiences. By completing the award they will build confidence, resilience, skills for work and friendship groups and have a great time in doing so.

The award comprises of 5 parts: 3 sections (volunteering, physical and skills) and 2 expeditions. Each section needs to take place over a period of 3 months (with one of their choice being extended to 6 months) for an hour a week.

**Sections:** Each section needs to have an aim and needs to be evidenced by someone (normally a teacher or coach) and in the past boys have completed:

- For volunteering they have assisted in charity shops, music studios, local cricket clubs or website design firms but could also volunteer within school if they can find a department where they will be able to help.
- For physical they have trained weekly with the aim to run 5km in under 25 minutes, improved fitness by using an exercise bike for an hour a week, trained for rollerblading competitions.
- For **skills** they have attended additional language courses, worked on their table tennis technique or attended regular music lessons.

Your son has already completed the practice expedition of the expedition section whilst on Year 9 camp and the qualifying expedition and preceding preparation will give the boys a chance to further those skills. The expedition will happen over a weekend during the summer term of 2020. **The dates will be confirmed in January.** 

**Costs:** Initially there is a fee of £20 for enrolment in the Duke of Edinburgh award which will need to be paid with the return of this form via the ParentPay portal. Next year there will also be a cost for the expedition which will be around £30 (for support staff, vehicle, transport and campsite fees)

**Equipment:** School can provide tents, back packs and cooking stoves but the rest of the equipment will have to be provided by the pupil. Essential kit such as waterproof jacket and trousers, sleeping bag and hiking boots can be bought for very little at shops such as Decathlon and Sports Direct.

**Enrolment**: Please follow the link below, fill out the enrolment questionnaire and pay the £20 via the ParentPay. <a href="https://forms.gle/1nq3jeH2tJDi4XcA6">https://forms.gle/1nq3jeH2tJDi4XcA6</a>. Or alternatively complete the form attached and return to Mr Meharg or Mr Difusco.

Kind regards,

Mr Meharg

Duke of Edinburgh Coordinator

Teacher of Languages

#### Choosing activities for sections

The next exciting step of your adventure is deciding what you are going to do as part of your DofE programme. There is a fantastic list of activities to choose from but, if you can't find exactly what you want to do, have a chat to your Leader - most activities can count towards your DofE. All we ask is that any new activity is checked with your Licensed Organisation to make sure it's counted for the right section and that you've set yourself enough of a challenge.

#### To help you get started here's a quick overview of what you'll need to think about:

- You decide: It is up to you to find an activity that you wish to do in your own personal time; maybe something you're already doing or something you are interested in. Most of all pick something you'll enjoy it'll make it easier to stick at it!
- How much is the activity? It depends on what you are planning to do, some will be expensive, some
  will be cheap and some will be completely free it is your choice on how much you want to spend on each
  activity.
- Where can I do an activity? Find out whether this activity can be done in your local area. If it can't,
   then it might involve you looking further away or searching for another activity. Part of the challenge of doing your DofE is finding a local opportunity.
- How long do I have to do it? That depends on which level you are working towards and which section you are on. Please see the section pages for the different time requirements by level.
- **Insurance and safety for an activity:** You may need to ask the provider of that activity what training and insurance cover is required or is in place.
- Check the activity: Remember to check if what you are planning to do is permitted for the section.
   The DofE is very firm on what activities fall into which sections and they cannot be used for more than one section.
- Changing your activity: Even though we don't encourage this, if absolutely necessary, you may make
  one change of activity in each section at each level. You must restart the preparation, training, activity and
  assessment process and the time spent on both activities will add up to meet the overall time requirements
  for that section.
- Repeating activities for the next level: If you did a previous level (Bronze/Silver), you can choose the same activity for your next level (Silver/Gold), but you need to show development in it. It's best to try something new!
- Remember to tell your Leader about your plans before you start so you don't waste time on activities
  which won't count or don't fit into the right section!

Speak to your DofE Leader or Co-ordinator for further advice - they may know what activities and opportunities are available locally.

Once everything is agreed and in place you're ready to start your adventure. Have fun!
