September 2019

Dear Parent/Carer,

CAVE Week: “Conservation and Endangered Species” – week commencing 14th October

On 14th October William Ellis will be introducing a new initiative called CAVE week. This stands for Creativity, Action, Vocation, Enterprise. This will be for all students in years 7-10, the normal school timetable will be changed and students will work on projects within their form group.

There is a huge range of projects and it will mean that William Ellis students benefit from the wide range of partnerships the school has with different organisations as well as supporting student’s aspirations and developing their ability to work in a team, reflect and be creative. Students will meet different people and hear about their jobs and they will visit different places in London to help them with their project. CAVE week will help William Ellis meet some government targets for developing the curriculum, particularly in relation to careers education.

Your son will **not need** to bring his subject books or PE kit for the duration of CAVE week, but he should bring his normal school equipment.

Form 7F will be working on a project called “Conservation and Endangered Species” linking science, English and art. They will visit London Zoo and take part in a wildlife under threat workshop as part of the project. The visit will take place on **Tuesday, 15th October**. Students will leave school at 9.30am and return by 2pm. There will be no charge for the trip but students do need to bring a packed lunch. If your son is in receipt of free school meals and will require a school packed lunch, I need to be informed by 11th October.

Please complete and return the attached permission slip and inform me of any allergies that might need to be taken into account when on the trip.

We are looking forward to this being a valuable learning experience for students. If you think you may be able to support us by giving a talk about your job, please contact me.

Thank you,

Ms Z Laattoe
Tutor – 7F
