26th September 2019

Dear Parent/Carer,

CAVE Week: Beauty and Nature Project – week commencing 14th October

On 14th October William Ellis will be introducing a new initiative called CAVE week. This stands for Creativity, Action, Vocation, Enterprise. This will be for all students in years 7-10, the normal school timetable will be changed and students will work on projects within their form group.

There is a huge range of projects and it will mean that William Ellis students benefit from the wide range of partnerships the school has with different organisations as well as supporting student's aspirations and developing their ability to work in a team, reflect and be creative. Students will meet different people and hear about their jobs and they will visit different places in London to help them with their project. CAVE week will help William Ellis meet some government targets for developing the curriculum, particularly in relation to careers education.

Your son will **not need** to bring his subject books or PE kit for the duration of CAVE week, but he should bring his normal school equipment.

Form 7B will be visiting the **Grant Museum** on **Tuesday, 15th October**. Students will leave school at 9.00am and return to school by 1pm in time for lunch. There will be no charge for the trip. Please complete and return the attached permission slip and inform me of any allergies that we might need to be taken into account when on the trip.

We are looking forward to this being a valuable learning experience for students. If you think you may be able to support us by giving a talk about your job, please contact me.

Thank you,

Mr F Difusco

Tutor – 7B
