25th September 2019

Dear Parent/Carer,

**CAVE Week: Migration Stories - week commencing 14<sup>th</sup> October**

On 14<sup>th</sup> October William Ellis will be introducing a new initiative called CAVE week. This stands for Creativity, Action, Vocation, Enterprise. This will be for all students in years 7-10. The normal school timetable will be changed and students will work on projects within their form group.

There is a huge range of projects and it will mean that William Ellis students benefit from the wide range of partnerships the school has with different organisations as well as supporting student's aspirations and developing their ability to work in a team, reflect and be creative. Students will meet different people and hear about their jobs and they will take part in a range of workshops to help them with their project. CAVE week will help William Ellis to meet some government targets for developing the curriculum, particularly in relation to careers education.

Your son will **not need** to bring their subject books or PE kit for the duration of CAVE week, but he should bring his normal school equipment.

Form 9B will be working on a project called "Migration Stories". They will visit the Migration Museum to attend a workshop about migration. The visit will take place on **Thursday, 10th October**. Students will leave school at 11.15am and be dismissed from Kentish Town Tube station at around 3.45pm. There will be no charge for the trip but students do need to bring a packed lunch. If your son is eligible for free school meals and would like a packed lunch provided by the school, I need to be informed by 1<sup>st</sup> October.

Please complete the attached permission slip and advise of any allergies to be taken account of during the trip and return to me.

We are looking forward to this being a valuable learning experience for students. If you think you may be able to support us by giving a talk about your job, please contact me.

Thank you,

Mr R Yurchesyn

Tutor – 9B
