30th September 2019

Dear Parent/Carer,

CAVE Week: Sustainability project – week commencing 14th October

On 14th October William Ellis will be introducing a new initiative called CAVE week. This stands for Creativity, Action, Vocation, Enterprise. This will be for all students in years 7-10, the normal school timetable will be changed and students will work on projects within their form group.

There is a huge range of projects and it will mean that William Ellis students benefit from the wide range of partnerships the school has with different organisations as well as supporting student's aspirations and developing their ability to work in a team, reflect and be creative. Students will meet different people and hear about their jobs and they will visit different places in London to help them with their project. CAVE week will help William Ellis meet some government targets for developing the curriculum, particularly in relation to careers education.

Your son will **not need** to bring his subject books or PE kit for the duration of CAVE week, but he should bring his normal school equipment.

Form 10L will be working on a "Sustainability project" linking the environment to careers in creative industries and science. They will visit Global Generation's skip garden at Kings Cross to attend a workshop about sustainability and regeneration. The visit will take place on **Tuesday, 15th October**. Students will leave school at 9.00am and return to school after lunch. There will be no charge for the trip but students either need to bring a packed lunch or some money to purchase something from the skip garden kitchen. If your son is in receipt of free school meals and requires a school packed lunch, I will need to know by 11th October.

Please complete and return the attached permission slip and inform me of any allergies that we might need to be taken into account when on the trip.

We are looking forward to this being a valuable learning experience for students. If you think you may be able to support us by giving a talk about your job, please contact me.

Thank you,

Ms A Burns
Tutor – 10L
