Dear Parent / Carer,

We are writing to let you know that William Ellis are running a peer mentoring programme in partnership with Fitzrovia Youth in Action. Every year 7 student will be connected with trained peer mentors from year 9. This is to help your son settle into school through the support of a student who has made the transition themselves and understands some of the challenges.

As part of the programme a survey at the beginning and end of the mentoring will be completed by the pupils. This information will be confidential. The data from the surveys will be collated by our partner youth agency Fitzrovia Youth in Action (FYA). FYA is Camden's leading youth action charity. For more information check out [www.fya.org.uk](http://www.fya.org.uk) If you would rather your son's anonymised data is NOT sent to our partner please notify Emma White as soon as possible.

If you would rather your son does NOT take part in this programme, designed to support successful integration of the whole year group in William Ellis, then please notify Emma White as soon as possible. If you require any further information about this programme, please contact Abbie Mitchell at FYA using the details below or please contact Karl Altmann or Emma White through the school.

Kind Regards,

Abbie Mitchell
