11th November 2019

Dear Parents/Carers,

'Chemistry in Action' Trip on Monday 25th November, 10.45am-15.45pm

The Applied Science students will be attending a 'Chemistry in Action' trip on the 25th November.

We have managed to get half price tickets; we are asking for a contribution £11.50.

The day aims to take students from their studies to cutting-edge research and future applications in great style! There will be five sessions from leading chemists in academia and industry who hope to inspire the scientists of the future. A special session on examination success will ensure students are equipped with the tools to excel.

If you would like to find out more information about the day, follow this link;

<https://thetrainingpartnership.org.uk/study-day/chemistry-in-action-25-11-2019/>

Venue: Emmanuel Centre, 9 - 23 Marsham Street, London, SW1P 3DW

We will be travelling together from school by bus and tube, leaving at 9.30am. If your son/daughter has not yet paid, please make sure that they bring in the contribution of £11.50.

I look forward to sharing this valuable experience with your son/daughter.

Yours sincerely,

Jane Hugo
