22nd June 2020

Years 9 and 10

Good morning, good afternoon and good evening Years 9 and 10,

The weather, the weather..... lockdown in London has so far taken place during one of the earliest, warmest and driest summers that I can remember. This week will be no exception. Temperatures between Wednesday and Friday are set to peak at 31 degrees - too hot for some, but just right for me to store up my vitamin D intake to get me through the winter. If you are going out, make sure you protect your skin with sun-block and hydrate with plenty of water. Whatever you do, enjoy and be safe.

Yet another new week of lockdown begins:

Year 9, along with the rest of the lower school will continue to have regular tutorial slots. Your form tutors will let you know what time and day your tutorial will take place. Please log on at the allotted time but be careful to follow the code of conduct whilst you are in an online lesson.

I hope you have a good lesson and hope you enjoy hearing your teachers and classmates' voices.

We are in the final stages of the options process. You may receive a call from me just to double check the choices you have made or, in some instances, to try and fine tune your options if one or other of your choices is not available. Please do not worry - we aim to ensure you are happy in your GCSE years.

Year 10 have had a very successful return to school and have made themselves proud by adapting very quickly to the new rules set by the government. Please remember to bring all booklets and equipment you will need for the day. A reminder of your day is as follows:

10B	Monday 22 nd June	23 degrees
10F	Tuesday 23 rd June	28 degrees

10K Wednesday 24th June 31 degrees
 10L Thursday 25th June 31 degrees
 10W Friday 26th June 31 degrees

The new timetable for Year 10 will also incorporate online lessons. Please note the **time changes**:

	10.00-11.00	11.15-12.00 (Online lesson 1)	12.10-12.55 (Online lesson 2)	Lunch 12.55-1.20	1.20-2.05 (Online lesson 3)	2.05-2.40pm
Monday – 10B <input type="text"/>	PE	English	Business		Science 1	Tutor time/PSHE
Tuesday – 10F <input type="text"/>	PE	Music	T & Tourism		French	Tutor time/PSHE
Wednesday – 10K <input type="text"/>	PE	Maths	Geography		Science 2	Tutor time/PSHE
Thursday – 10L <input type="text"/>	PE	Art/Graphics	German		Maths	Tutor time/PSHE
Friday – 10W <input type="text"/>	PE	English	Computing		History	Tutor time/PSHE

Please remember that Year 10 students do not have to wear uniform. Please dress appropriately for the heat this week!

Careers News:

Mrs Diana Lane writes:

I will be in one day per week to talk over any careers enquiries you may have. In the meantime 'Stay safe'

Year 9 - <https://www.surveymonkey.co.uk/r/FKLCS6P>

Year 10 - <https://www.surveymonkey.co.uk/r/FQ3C36F>

Mr Parry writes:

For a week of **virtual work experience**, Year 10 should log into the follow website and follow the daily programme:

<https://classroom.thenational.academy/schedule-by-year/year-10/>

	<p>OAK NATIONAL ACADEMY</p>	<p><u>Year 10 Lessons - Oak National Academy</u></p>	<p>Welcome to the online classroom. Here you can access all of our lessons. Either you can follow a set plan of lessons across a range of subjects, or you can access particular lessons in certain subjects classroom.thenational.academy</p>

For budding scientists, sign up to the BP Periodic Table Challenge

https://admin-bpes-lp-live.edcowebsites.co.uk/the-periodic-table-of-elements/hello?dm_i=60XR,1K4X,125JI3,5SY1,1

The Periodic Table of Elements

Alkali metals | Alkali earth metals | Transition metals | Lanthanides | Actinides | Other metals | Non-metals | Halogens | Noble gases

1 2

1 H Hydrogen

2 Li Lithium Be Beryllium

3 Na Sodium Mg Magnesium

4 K Potassium Ca Calcium

5 Rb Rubidium Sr Strontium

6 Cs Cesium Ba Barium

7 Fr Francium Ra Radium

Periods

1 2 3 4 5 6 7

Groups 3 4 5 6 7 0

Metals Non-metals

Relative Atomic Mass
Symbol
Atomic number

Will new elements be added in the future?
New, un-named elements will be added to the table when they are discovered. Scientists researchers are already trying to create elements 113 and 115 so the first new additions may be coming soon!

Lanthanides
Ce Cerium Pr Praseodymium Nd Neodymium Pm Promethium Sm Samarium Eu Europium Gd Gadolinium Tb Terbium Dy Dysprosium Ho Holmium Er Erbium Tm Thulium Yb Ytterbium Lu Lutetium

Actinides
Th Thorium Pa Protactinium U Uranium Np Neptunium Pu Plutonium Am Americium Cm Curium Bk Berkelium Cf Californium Es Einsteinium Fm Fermium Md Mendelevium No Nobelium Lr Lawrencium

Elements 113 to 118 are the most recently discovered elements. They are highly radioactive, exist for only a fraction of a second and only a few atoms of each have ever been made.

Now take the Periodic Table Challenge online at bp.com/bpes/periodic-table-challenge

OVER TO YOU?

Remember to create a schedule. Here is one as an example below, it's for a school day but you could adapt it for the holidays.

	Monday	Tuesday	Wednesday	Thursday	Friday
	Get up! Shower and get dressed.	Get up! Shower and get dressed.	Get up! Shower and get dressed.	Get up! Shower and get dressed.	Get up! Shower and get dressed.
	Breakfast	Breakfast	Breakfast	Breakfast	Breakfast
	Indoor physical activity	Indoor physical activity	Indoor physical activity	Indoor physical activity	Indoor physical activity
	Lesson 1	Lesson 1	Lesson 1	Lesson 1	Lesson 1
	Break	Break	Break	Break	Break
	Lesson 2	Lesson 2	Lesson 2	Lesson 2	Lesson 2
	Break/Lunch	Break/Lunch	Break/Lunch	Break/Lunch	Break/Lunch
	Lesson 3	Lesson 3	Lesson 3	Lesson 3	Lesson 3
	Daily outdoor exercise	Daily outdoor exercise	Daily outdoor exercise	Daily outdoor exercise	Daily outdoor exercise
