23rd November 2020

Dear families,

Year 11 GCSE Art: Saturday catch-up session, 28th November

I wanted to write and let you know that the Art Department are running a Year 11 GCSE catch-up session on Saturday 28th November from 9.30am – 2.00pm.

Your son must attend in order to ensure that his coursework meets the requirements for entry to the GCSE in Art and Design and that he has completed his final outcomes from his coursework project last year. Your son is currently not meeting these requirements as he has not completed his outcomes from last year.

The canteen will not be open, so your son will need to bring a packed lunch.

Please also encourage your son to come to the Art Department at lunchtimes and after school to work on his coursework before the January Deadline.

The department is running catch-up sessions every Friday after school. However, your son is welcome to come and work in the Art Department any lunchtime/after school as long as a teacher is in the department. We expect your son to attend every Friday and if he does not we will be contacting you to discuss this issue.

Please be reminded that independent work is an important part of the course. Your son needs to spend approximately two hours a week on his Art homework finishing off tasks started in lessons.

We look forward to a very productive Saturday in school.

Yours faithfully,

Laura Madsen

Head of Art, Craft and Design
