13th May 2021

Dear families

Eid Mubarak 2021

Eid Mubarak, or happy Eid, to all our students and families celebrating today. I am writing in response to a few queries we have had.

- If your family is celebrating Eid today, Thursday 13th May, please phone the absence line on:

[020 7284 1274 Option 1](tel:02072841274)

to let us know so that we do not text or call you regarding the absence

- If your family has also chosen to celebrate Eid tomorrow and students will be absent from school for this reason, please also notify us.

Thursday and Friday will both be classified as absence for religious observance, not an unauthorised absence.

However, it is also important that students do not miss out on any work. Teachers will post what they can on Teams, but it is also important that students find their teachers when they return on Monday so that they fully understand the work.

Yours faithfully

Izzy Jones
Headteacher
