FREE – Work experience in Health and Social Care

This virtual work experience pack is aimed at supporting students who aspire towards a career in the Health and Social Care sector.

Become part of Future First and take part in events and projects, from Mental Health to LGBT, or school community.

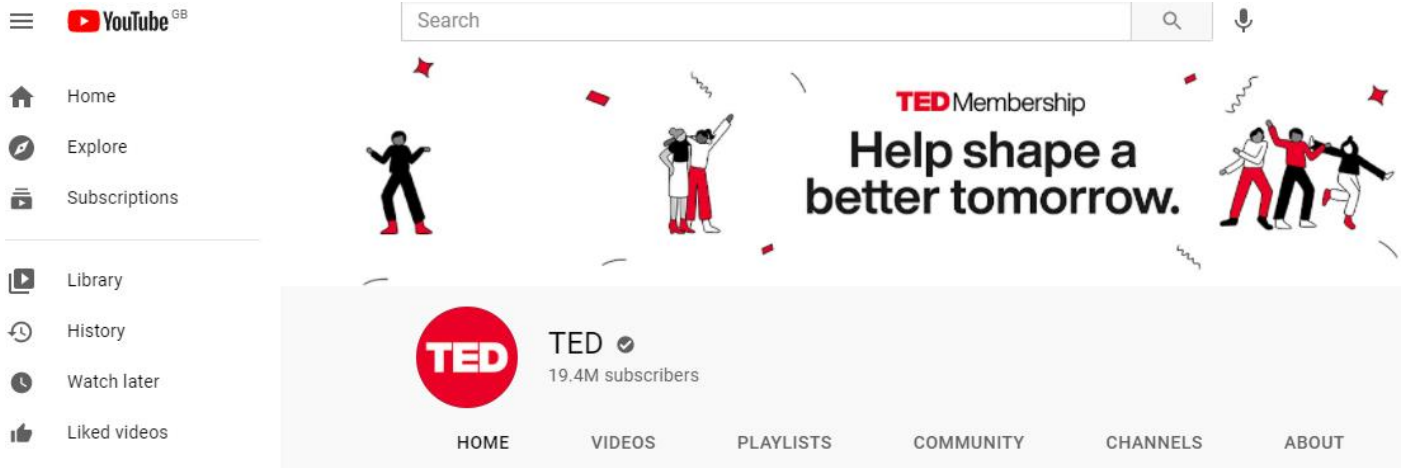

Join **Future First**, who have 10 years of experience working with young people. A brand new online platform, available from September, will allow students and alumni to harness the support of their whole network online. As ever, their mission remains the same: to see every state school and college supported by a thriving and engaged alumni community, which improves students' confidence, motivation to study, and life chances.

Built on a decade of experience of working with alumni, Future First's new improved **ConnectEd** programme will help you build, engage and sustain a thriving network.
