

GCSE and AS/A2 Level Exams (almost) over!

Except for a couple of A level exams next week the exam season is now over.

We sadly said “farewell” to our Year 11s today by offering them a meningitis booster injection just after their last exam! However, they gladly waited around for the school nurses in the Learning Resources Centre chatting with each other about their plans for the summer as well as the momentous decision made by the country to leave the European Union. We wish them all the very best and hope to see many of them back at LaSWAP.

The Mill Camp next week...

A number of Year 7s will be camping for the first time at The Mill next week. Staff and friends of The Mill spent a working weekend getting ready for their trip including Mr Wharton and his pregnant wife. After a visit by Mr White on Saturday when the weather was very poor Mr Wharton sent the following message: *“Sunday was good. The weather was bright and warm and the sluice gate was a success! Woke up to an almost flooded tent field, but managed to lower the level just in time. Some photos attached for newsletter.”* We are sure the boys will appreciate the work carried out in preparation for their camp and that they have a great time.

Our governors will be holding their final full governing body of the year at the The Mill next week too, so will be able to see a different aspect of school life. They will be accompanied by a small film crew who will be taking footage of the boys for a film being made to publicise the school.

New Year 7 Intake

We look forward to meeting our new Year 7 intake for a special day in school on Wednesday next week and their parents for a Welcome evening. Mr Altmann has been busy visiting the boys in their primary schools to get to know them in their current environment and to help the new boys in the transition to secondary school process.

House Spelling Bee!

The House Team sent the following message after a very well attended event this week:

Results of today's Spelling Bee as follows:

1st – Willow – 20 House Points

2nd – Keats – 16

3rd – Fenton – 12

4th – Lauderdale – 8

5th – Burgh – 4

THANKS TO ALL WHO CAME ALONG TO SUPPORT. There was an incredible, respectful crowd supporting and it was lovely to see staff popping in to show their support as well.

Extra special thanks to Lucy Rushbrook in the Learning Resource Centre for accommodating us, designing and distributing the posters AND making a brill display in the library.

The results put Burgh and Lauderdale in joint 4th, Fenton 3rd, Willow 2nd and Keats 1st overall for the year...

REMINDER TO ORDER UNIFORM BY END OF TERM

Blazers and PE Kit: Please be aware that you will need to order any new blazers/PE kit your son requires for next year by the end of term to guarantee delivery for September. (There will be no deliveries to the school over the summer holiday). Orders can be made on our uniform supplier's website: www.swi.co.uk

Ties: Boys in years 7, 8 and 9 will need new ties for September as each year group has a different design. These are available from the school office, priced £4.00. It would be helpful if you purchased a tie before the end of term to avoid a long queue on the first day of term.

Year 7 Camp

w/c 27th June: 7L, 7W, 7F

w/c 8th July: 7B, 7K
