

Maths

We can't wait to meet you...

Meet the Department

MR VETTIANKAL
HEAD OF MATHS

Favourite Maths Film:
A Beautiful Mind

Favourite Mathematician: **Alan Turing**. You will learn a bit more about him later in this pack.

Favourite part of Maths:
Euclidian Geometry.
Euclidian was a Mathematician and his book "The elements" is my favourite maths textbook.

Ms BALANCHUK
SECOND IN CHARGE OF
MATHS

MS NELI

Favourite Maths Book:
A History of Mathematics
by **Charles B Boyer**. Here is a quote I love "Only in mathematics there is no significant correction- only extension"

Ms LAWSON
TEACHER IN CHARGE OF
KS3 MATHS

Ms
GORYCZCA

MS GRAHAM

MS SOLEA

Favourite mathematician: **Archimedes**
Archimedes was a Greek mathematician, philosopher and inventor who wrote important works in geometry, arithmetic and mechanics. He was born in Syracuse, on the island of Sicily, in 287 BC. He is most famous for discovering the law of hydrostatics, known as 'Archimedes principle', stating that a body immersed in fluid loses weight equal to the weight of the amount of fluid it displaces. He is supposed to have made the discovery when stepping into his bath, causing him to exclaim 'Eureka'!

Key Words

We use a lot of key words in Mathematics, a few of them you already know, some you will also recognise from other subjects but others may be brand new. See if you can find some of the ones we will be using next term in the wordsearch below:

Y R Y A P F F T Z P M M D Q U M Z L N U
F I J X F U D M E E B U D O N D I M X E
B D P J B K C D B R U F I H I B Y V W J
C K H U T U G Z I I Z M D L T V F S F S
Y P I Z P L N M G M I Q A W S Y V D R Q
H X A T M Y K O P E L S Q W R E P E W K
C O D K Q I A Q D T C T E E S M H R U T

Equipment

For Maths you will need the following pieces of equipment:

Pen
Pencil
Rubber
Ruler
Protractor

Calculator – You will be using this lots more than in primary school so make sure your name is on it somewhere! We recommend getting the **Casio FX83GTX** which looks like the picture above.

If you are struggling getting hold of any of these don't worry, we can help in the first couple of weeks back.

Ms Lawson's favourite Mathematician is Alan Turing. Alan Turing was a British mathematician. He made major contributions to the fields of mathematics, computer science, and artificial intelligence. He worked for the British government during World War II, when he succeeded in breaking the secret code Germany used to communicate.

Can you crack the code below to reveal where you will find Alan Turing?

A	B	C	D	E	F	G	H	I	J	K	L	M

Summer Maths?

If you love Maths as much as us you will probably be missing it over the summer! You may have used Hegarty Maths at primary school and they have recently launched a free online programme called 'Secondary Ready' that you can access at home this summer.

Simply register at [numerise.com/secondary-ready](https://www.numerise.com/secondary-ready) and complete the course. It's only twelve lessons and if you complete them all, you will be even more ready for your Year 7 maths lessons. Let us know if you finish it – we can't wait to hear how you get on.
