Camden

Welcome to **CLiC** – our **C**ommunity **L**earning **i**n **C**amden brochure

You'll be amazed at the variety of adult learning courses in community learning centres across the borough.
All courses are for adults aged 19+ and give priority to Camden residents. Some classes are for particular groups and are clearly marked in the brochure, for example, for older people, parents and carers or people with learning disabilities. You'll see that some classes have a free crèche – subject to demand.

Courses are grouped in the brochure under the following headings:

Our classes are informal. You will learn at your own pace, supported by tutors experienced in teaching adult learners. When you start the course, your tutor will discuss with you what you want to get out of the class and will work with you to make sure that your programme meets your needs.

If you want to find out more about a particular course, contact the centre where it's being run - details are provided on page 19. Or call the **Camden Adult Community Learning Team on 020 7974 2148 or email: adultlearning@camden.gov.uk**

Come along to one of our **Information and Enrolment days** and talk to us about what you're interested in learning. We'll help you find the right course for you.

These are some of the things past learners have said …..

The course was excellent. I have learned how to set up a website and will now use it for my business.

Very useful for my job hunting.

It has given me confidence to do research on the web and to make financial transactions online that I am confident will be secure.

Helps me cope with modern life, buying and selling and getting information online.

A fantastic course. I have learnt so much. I have so much confidence and I am much happier now that I have learnt new skills.

This course is fantastic. I have learnt a lot about how a child learns to read and write.

Most enjoyable part of my week is coming here and learning.

.….. What will you say after attending one of our courses?

Best wishes from the Camden Adult Community Learning team
