

LaSWAP

THE SIXTH FORM OF CHOICE

Class of 2018

A level results

We are thrilled with the fantastic results of the Year 13 LaSWAP students. Once again, our pass rate is above the national headline figure. Having successfully introduced and embedded new A level courses, which have little or no coursework, and are entirely examined at the end of the two years, we are delighted to have sustained this excellent A level success rate (98%) for a second year.

towards fulfilling their future ambitions. We are very proud that LaSWAP Higher Education progression rates remain high, with students following a wide range of courses across the sciences, humanities and arts, including medicine and maths and astrophysics. Once again, many students have taken up places at Russell Group universities including Oxford and Cambridge.

Top grades continue to be an area for celebration as the second wave of new demanding and rigorous A levels were examined for the first time this year. As ever students achieved their targets with many exceeding and gaining stellar results.

LaSWAP is London's longest-standing consortium of school Sixth Forms, and includes La Sainte Union, William Ellis, Acland Burghley and Parliament Hill. A level performance at LaSWAP is comparable with many more selective institutions. Excellent student performance reflects a strong work ethic, and conscientious determination. Our results are also testament to the dedication of subject specialists across LaSWAP, who have worked collaboratively to meet the challenges of these more difficult qualifications.

With around 900 A level and BTEC qualifications taken this summer, LaSWAP students have achieved fantastic results across a broad range of subjects. Students were excited to receive competitive offers from prestigious universities across the country as they now take their next steps

The mood was ebullient on results day as students gathered in excited anticipation at La Sainte Union School to receive results and celebrate numerous successes with their teachers and parents. We are extremely proud of the progress that students have made and the focus and effort that they have shown. Cllr Angela Mason met LaSWAP students who shared their achievements

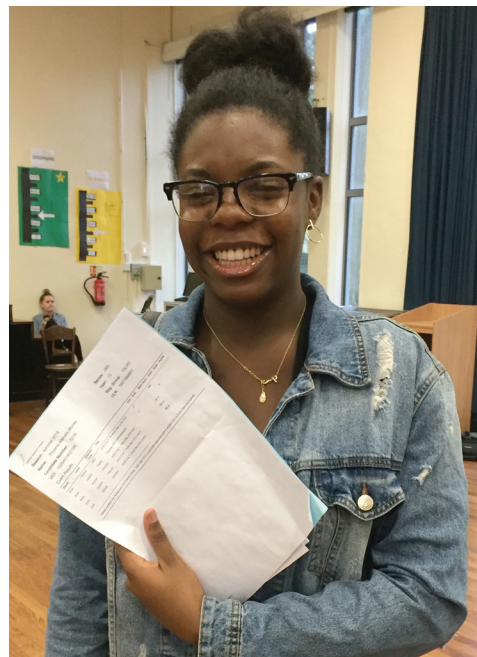

and chatted about their university choices. Students reflected on their experiences at LaSWAP and the many ways in which they have been very well prepared for their next steps.

'William Ellis as part of LaSWAP is a great school. I had my boundaries pushed and developed my skills in all of my A Level subjects' (Leah Meny)

There are outstanding results from students on applied courses with large numbers achieving the highest level of award. For example, Fayaz Ahmed, who was based at William Ellis, achieved a Distinction* Distinction grade in BTEC level 3 National Diploma in Business and is thrilled to be studying Banking and Finance at Middlesex University.

We are very pleased with the high grades achieved by our high achieving students who will be heading off to

top universities. It is important to celebrate, however, that many other students have been equally successful given their starting points. LaSWAP is a

comprehensive sixth form and we are proud that we offer opportunities for post-16 study to a wide range of young people. A number of our students, who would not have been allowed entry to advanced level courses elsewhere, have gained excellent grades and secured good progression to Higher Education and to apprenticeships.

'The teachers are really supportive. My form tutor would pick me up and encourage me to overcome any issues to help me succeed' (Mariam Mohamed)

Well done to all of our students, they have achieved excellent results and they have been a delight to teach. We wish them every success in the future. We wish to thank parents for their invaluable support and thank our staff who have worked tirelessly to help our students achieve the best results they can.

A selection of LaSWAP's high-achieving students

La Sainte Union

Helen Sutton

A* Maths, A* Further Maths, A* Chemistry, A* Physics.

Destination: University of Cambridge to study Engineering.

Amelia Tucker

A History, A English, A Politics.

Destination: University of Leeds to study History.

Analucia Tomasso

A* Music technology, A Music, A Creative writing, and B EPQ extended project.

Julia Mista

Distinction Distinction Merit, BTEC Health and Social Care, Extended Diploma.

Destination: Kings College London to study Nursing.

Rossella Saada

A Classics, A History, B Mathematics.

Destination: University of Warwick to study Ancient History and Classical Archaeology.

Florian Macatangay

A Geography, A Sociology, A Psychology.

Two students have been accepted to study social work, despite this being an extremely competitive route.

Diandra Jackson, from an A level pathway and **Mikayela Kabala** from the health and social care applied general pathway.

Joseph Coleman-Davies

Applied & A level

Distinction* Distinction* in Business with a grade B in A level Politics.

Destination University of Lancaster to study Politics and International Relations.

William Ellis

Mia Stephens

A* Politics, A English Literature, A History.

Destination: gap year teaching English in South East Asia before applying to read History and Politics at Edinburgh University.

Lea Meny

A* German, B Art, B Psychology, B Maths Studies.

Destination: university in Australia after working as an au pair in Hawaii and travelling for a year.

Luke Gottlieb

B Film, B Product Design, B Psychology.

Destination: London South Bank University to study Film Practice after a gap year.

Joe Gottlieb

B Film, B English, B History.

Destination: tbc after a gap year.

Mariana Da Silva

A Spanish, A Psychology, C Economics.

Destination: Birmingham University to study Economics

Fayez Ahmed

Distinction* Distinction in BTEC level 3

National Diploma in Business. Destination: Middlesex University to study Finance.

Yvonne Ong

Distinction* Distinction in BTEC level

3 National Diploma in Business, a B in Mandarin and C in EPQ.

Destination: will establish a new Chinese school in West London.

Brian Conza Nunez

Destination: Reading University to read Economics and Spanish.

Acland Burghley

Dylan Watts

A* Biology, A* Physics, A* Maths, A Chemistry, A Further Maths.

Destination: University of Oxford (Oriol College) to study Physics & Philosophy.

Eve Dickie

A* English Literature, A* History, A Psychology, A* EPQ.

Destination: University of Oxford (Hertford College) to study English Language & Literature.

Poppy Scheinmann

A* Psychology, A Dance, B Biology.

Destination: University of Sheffield to study Psychology.

James Ranger

Distinction* in BTEC Level 3 Extended Diploma in Art and Design.

Destination: Ravensbourne University London to study Graphic Design.

Sarah Adama

A Sociology, B English Literature, B History.

Destination: University of Nottingham to study Philosophy.

Nell Cubey

A History, A Biology, A Dance.

Destination: Newcastle University to study Zoology.

Felix Forrest

A Maths, A Physics, C Geography.

Destination: Southampton University to study Aeronautics & Astronautics.

Parliament Hill

Kaynath Shahid

A Biology, B Chemistry, A Maths.

Destination: Kaynath will study Biomedical Science King's College London.

Eleni Cheetham

A* Maths, A Physics, A Music Technology.

Destination: Manchester University to study Mathematics.

Lana Lomax

A English, A* Psychology, C Graphics, A EPQ.

Destination: Manchester University to read Japanese Studies.

Phoenix Murray

A* Product Design, B Economics, C Physics.

Destination: Brunel University to study Product Design Engineering.

Dina Nebi

A* Product Design, A Geography,

B Economics. Destination: SOAS to study International Relations and Economics.

Jade Rankine

A Maths, B Further Maths, A Chemistry.

Destination: Leeds University to study Mathematics.

Minnie Taylor Manson

A Biology, A Chemistry, A Maths, A Physics.

Destination: Physics with astrophysics.

Destination: tbc

Nektare Thaci

B Biology, A Chemistry, A Maths, C Physics.

Destination: Manchester University to study Optometry.

Rachel Woodward-Carlton

A Drama, B English, A History, A EPQ

Destination: Leeds University to study Liberal Arts.
