

## ENRICHMENT – AUTUMN TERM 2025

It's time for you to get involved! Enrichment activities will be open for all students across the consortium, not just those at the base school (unless otherwise stated). If you want to attend an activity you must be wearing your ID badge, if you do not have this you will not be able to take part. Keep a log of any enrichment or super curricular activities as this will be excellent information to include in university and job applications.

### START YOUR OWN CLUB!

Are you interested in starting you own club / society or activity as part of enrichment? Please fill in this short form and we will try to facilitate it.
